CHARITY FÊTE Collaboration

This year's Chinese New Year celebration marks the continuation of a collaboration that symbolises prosperity and happiness. Hotel Nikko Kuala Lumpur, together with Tan Sri Tan Chin Tuan Foundation, Dale Lokman & Associates and Dutch Lady Milk Industries Berhad for the fourth year running put together a fête. This time it was for some 300 children and senior citizens from various homes like Rumah Juara, Rumah Anak-Anak Yatim Shifa, Ti Ratana, and Agathians to name a few.

Aimed at offering long-lasting memories while spreading the spirit of multi-racial festivity, the event saw the children and senior citizens presented with goody bags and angpows. Face Mask Changing Performance, Tarian 1Malaysia, and children's lion dance were performed by cute little kindergardeners.

Hotel Nikko presented a RM20,000 cheque to the National Cancer Society Malaysia (NCSM), Tan Sri Tan Chin Tuan Foundation gave RM120,000 to Soka Gakkai, while Dutch Lady Malaysia presented ten cartons of milk to ten welfare homes and also a monthly supply of ten cartons of milk from April till December to StART Society.

Jad Mahidin, Dutch lady's head of Corporate Communications said "We believe in children and the senior citizens. We hope the event will continue for many more years to come." - Shakif Hasidin
